**News from your Chairman** – I would like to wish all our members a very Happy New Year and hope you all had a good Christmas.

Do you like working as a team?

Can you think of new ideas?

Enjoy meeting others and making friends?

Then have you thought of applying to join one of our sub-committees?

We are now looking for members to join any of our sub-committees for the next term of two years starting in March. Any member can apply for one of these positions, you do not have to be an officer or committee member in your own WI, just a fully paid up member of the WI. Sub-committees meet four times a year at the WI Office, when they arrange outings and events in their subjects. We are all volunteers and being part of the Federation in this way is very enjoyable and rewarding, it is a chance to see the bigger picture and an insight as to how the Federation works. So, if you have an interest in Sports; Craft; Cookery; Current and Rural Affairs; Resolutions or interested in becoming an Adviser then contact Tracey at the WI Office for more information. Until next time, Debbie

#### **CREATIVE CRAFT AND COOKERY**

Happy New Year to you all from the Creative Craft and Cookery Committee and I hope we will see many of you during 2018 at one or more of the events we will be holding.

Unfortunately, I must start my report on a sad note as we have had to cancel the planned Evening of Indulgence in February owing to lack of support. I apologise to those of you who had applied for tickets and were looking forward to the event but would like to thank you very much for your support.

The first of our Office Workshops is to be held at the Federation Office on 24<sup>th</sup> April but don't worry about it being oversubscribed as if this happens further dates can be arranged so that hopefully no one will be disappointed.

There is still time for you to apply for a place on the visit to the Harrogate Flower Show, the first big event in the Gardening Calendar. The closing date for this is 9<sup>th</sup> March. Pat Masters

**Members Advisory Committee** – A very Happy New Year to all our members and their families. Early January we held our Resolution Discussion Day at Cranwell. It is not too late to cast your vote for one of the five proposed resolutions. The voting form is in the December/January issue of WI Life and your vote need to be with the office by Friday 9<sup>th</sup> February. We are coming up to Annual Meeting time and if your WI would like their Adviser to come along then please do get in touch with her. Contact details are in the yearbook or available from the office. Whilst a visit is not compulsory it does give the members a chance to meet their adviser and ask any questions. It is a particularly good opportunity for new members to learn more about the organisation.

We have had a new WI Adviser join the Members Advisory Committee from Hampshire Federation, Sharon Hurrell. Sharon has moved to Lincolnshire with her work and once she has settled in will be overseeing the Kesteven Group.

*Myth of the Month* – A WI committee must meet every month.

Not true – The committee must meet at least six times in the year – WI Constitution Rule 27a. Don't put pressure on the committee members to meet every month, if there is nothing that needs discussing, organising, etc – then give yourselves the night off!

Jane Root – Chairman, Members Advisory Committee

## WI Office – Intercom Door Entry

Any members visiting the WI Office will notice we have an intercom entry system on the middle door, this has been installed for security reasons, one can feel quite vulnerable if in the building alone, and this means we know when people are coming in. All you need do is press the top button on the panel for WI Office and Sue or I will release the door for you – getting out is even easier, you just press the large green button. Thank you – Tracey Copeland, Federation Secretary

## **Public Affairs & Education**

### **Get Involved**

Over the last 6 – 7 weeks plastic pollution has become headline news. Although the NFWI mandate relates to microplastic fibres the continuous publicity of plastic pollution in our oceans has increased concerns and debate about the problem.

Plastic does not biodegrade. It only breaks down into smaller and smaller pieces.

#### **What can we do?**

Refuse disposable plastic whenever and wherever possible.

Choose items that are not packaged in plastic.

Follow Weatherspoons example and say “**no straw, please**”. Lobby pubs and restaurants.

Choose glass, paper, stainless steel, wood, bamboo over plastic.

Encourage others to say **NO** to single use plastic

Please visit our Awareness display at the Public Affairs and Education stand at Spring Council (Tuesday 13 March 2018). Clare Pillinger from Anglian Water will be available to give advice and information about plastic pollution as well as answering your questions.

Working together we can make an impact.

Lincs South members please **Get Active!**

Beryl Chinneck, Chairman Public Affairs & Education.

**Wednesday 15<sup>th</sup> November 2017 – Harlaxton WI** celebrated their sixty years anniversary and were joined by guests Debbie Venn, Chairman of Federation and Jean Cox, Vice Chairman for a fish and chip supper, celebration cake and glass of Prosecco. Jean was a past President for our WI 1985. Debbie was presented with £100 for her Chairman's Challenge. A members' daughter and her husband, a duo called 'Music Matters' lead us in a resounding rendition of Jerusalem. They also provided background music during the evening. Committee members designed a collage of each decade since the 1950's to the '00's depicting both local and national events. A most delightful evening shared with friends. Carole Harris

## Deepings Lunchtime WI

With monies raised from taking part in the 40<sup>th</sup> Anniversary Exercise Event, we organised a craft spectacular. Naming it Dabble Day the aim was to learn many crafts, dabbling here and dabbling there. Calligraphy, Christmas Arrangements, Layering Cards, Candle Boxes, Stamping and Embossing and the icing on the cake – a delicious lunch, cooked as always by our Margaret broke up the day thus giving us time to recharge our batteries.

Lots of chatter and laughter learning new skills made it a day to remember, the very essence of being a member in our WI. Barbara Derbyshire - President

**Whaplode (Village) WI** – Past President Margaret Williams (seated) and current President Julie Hicks, about to cut the 55<sup>th</sup> Birthday cake made by one of the members daughters.

Our WI Christmas Memory Tree, which was in Whaplode St Mary's Church for the Christmas Tree festival. Members wrote on the back of golden stars in memory of anyone or anything.

**To reach WI Office** - Turn off East Gate Road by Kwik Fit – we are at the bottom on the right-hand side, a large square building just after Go Dance Studio.

**Borrowing the Federation Gazebo/Flags** – You may borrow this for your events. Call the office or email for further info or to see if available for dates required. It is quite heavy and awkward so best if two people call to collect and return.

**WI Office Parking** – To remind members coming to the office that we only have 4 parking slots in front of the office; the remaining spaces belong to the other offices within Pattinson House. However, there are usually places to park just across from the Go Dance Studio on a strip of grass. Thank you
