INSPIRING WOMEN

Hello,

Thank you to all that were able to join us for our Annual Meeting on Saturday 12 March. Unfortunately, our planned speaker was unable to join us, due to illness. However, we were grateful to Graham Keal for stepping into the breach at very short notice with his amusing showbiz anecdotes!

In our last newsletter we asked if any members had certain skills that the trustees felt they were lacking. These are: legal, insurance, investing, employment law, Quickbooks, website management and social media.

Whilst we do not need hands on help with any of these items currently, we would like to know of members with these skills that we could call on, should the need arise. If you can help please email the WI Office.

In the meantime enjoy the sunshine!

Best wishes

Liz

## PUBLIC AFFAIRS & EDUCATION

The Public Affairs & Education Sub-Committee is delighted to be putting together a full programme for the coming year. As restrictions are lifted and life begins to return to something resembling “normality”, we hope that many of you will take advantage of the outings and events we will be offering.

Our first outing is to the **National Holocaust Centre** in April. Having had to cancel the original booking in 2020, we are really pleased to have been able to reinstate this trip. Nearly 60 members are signed up to participate and we'll be reporting in a future newsletter on what is sure to be a fascinating day.

Details of our first **Ladies' Luncheon** are with your secretary now. This will be held at Belton Park Golf Club on 24<sup>th</sup> May and our speaker will be Baroness Sarah Hogg. She will be talking about her book “Katherine's House”, which gives a wonderful insight into the history of Kettlethorpe and its surrounds, both before and after Katherine Swynford's tenure of the manor there. An occasion not to be missed!

We are also exploring the possibility of a trip to historic **Bury St Edmunds** and also to **Lincoln** to visit the Castle and the newly refurbished Cathedral, with afternoon tea included. Another **Ladies' Luncheon** will be planned later in the year too.

Do look out for details via your own WI notices or in the monthly newsletters – we'll look forward to seeing you!

All members of our sub-committee would like to say a huge thank you to our outgoing Chairman, Beryl Chinneck, who has stood down after many years of stalwart service. She has been a passionate advocate for Public Affairs and Education and we will all miss her great enthusiasm and tireless hard work. Beryl is planning a move to the North East to be closer to her family and we wish her health and happiness in her new home.....although we will look forward to continuing to see her at Lincs South events until her departure.

# News from our WIs.....

## Grantham DIY WI

Grantham DIY WI was formed 13 years ago and this year we were very pleased and honoured that our birthday coincided with the 125<sup>th</sup> anniversary of the founding of The WI movement.

We enjoyed an inspiring evening with the musicians and dancers from Crosskey Clog. They gave a talk on the clog dancing tradition of the North West of England. It was really interesting and they showed us some fascinating artefacts such as baby's clogs. They performed very fast and complicated dances accompanied by their lively band comprising of three accordions, fiddles and a ukulele! The best bit was when members were invited to join in for three of the dances. Crosskey Clog said that they had never have so many people joining in. It was great fun! The band accompanied us as we sang Happy Birthday to ourselves and we all indulged in cupcakes, beautifully decorated with sugar spring flowers, made by our member Sally Butterworth.

Also, we are planting a tree in a local Grantham park to commemorate the HM The Queen's Diamond Jubilee and organising a picnic for members + friends and families on 5<sup>th</sup> June.

Ann Kilroy, Grantham DIY

## Bicker WI

Mrs. Sue Baker gave a demonstration of felting and then, much to everybody's amusement we all had a go at felting. The end results were very good for beginners. It was a most enjoyable time, much helped by Mrs. Ellis's box of chocolates! Mrs. Baker showed some of the items she had made which were most impressive. It was good to spend the afternoon on an activity which was new to us all.

Kate Burgess OBE, Press Officer, Bicker WI

## Navenby WI

Navenby WI celebrated its 55<sup>th</sup> birthday in February 2022. Our Committee member Jackie, made and decorated a cake and although we met in the evening, an 'afternoon tea' was provided by other members of the Committee. We toasted the occasion with Bucks Fizz, held a general knowledge quiz and a 'guess the baby' competition, the latter being rather tricky, albeit very good fun.

One of our long standing members, Jenny, is seen here cutting the cake.

Moira Hunt, President Navenby WI

## *Caythorpe & District WI*

The first of Caythorpe & District WI's (re-established) Craft Club meetings took place on 2<sup>nd</sup> March. 13 crafty ladies came to share a beverage with us as we discussed ideas and what they'd like to achieve from being a member. A display of various craft ideas was available to inspire us and after we'd introduced ourselves, said which craft appealed and which project we'd like to be a part of, a crochet group emerged. Pauline Dorey, our treasurer, agreed that she would teach a group of us the basics of crochet. Others were interested in quilting and jewellery making and so the potential for a sharing of skills emerged and we are all looking forward to our next meeting in April.

The following week, on 8<sup>th</sup> March, a coffee morning was held to celebrate International Women's Day. Members had generously made a delicious selection of cakes and lots of members and non-members from the village joined us. Display boards had been created to coincide with Women's History Month showing lots of Inspiring and Pioneering Women past and present, many of whom were first to #BreakTheBias.

Two days later was our usual monthly meeting where Ann Lawtey of Mabel Lily Hats entertained us with her "fascinating" account of the history of hats and how they've evolved, including the Bowler hat and the Fascinator. She began her training to become a milliner at age 50, which shows it is never too late to start something new.

Changing to having our meetings in the afternoon seems to have worked well for us as we welcomed another paid up member into the fold.

Sue Case, Caythorpe & District WI

## *Witham on the Hill WI*

Each week I peruse the Denman classes and Claire's Upcycling Ties caught my eye a couple of weeks ago. I raided my husband's tie hanger - with his permission of course! He has about 30 ties, and hasn't worn any for many years, other than a black clip on one for a funeral! Silk ties are preferable apparently, but I just opted for colourful ones that would suit my colour schemes. My first project was decorating an old plain plum coloured t-shirt with a lilac striped tie and I was very pleased with the result - very quick and easy to do. It just involved folding pleats around the neckline and stitching it into place. The next project - the cushion cover was more complicated. I unpicked an old maroon coloured cushion cover, then stitched the ties onto the front, and reassembled the cover. The jewellery pouch

was next - very simple to make with the broad pointed end of the tie, just folded under and a popper to close it. The necklace was a fun item - stitching the tie into a thin tube, then pushing beads through and knotting them into place. I have upcycled seven ties in all. Great fun!

Jane Clark, Witham on the Hill WI

## *Ropsley & District WI*

Ladies from the WI were supported by friends and family throughout the year knitting for poppies for a cascade for the village church. After months of knitting and crocheting we had 4127 poppies which it took a week to attach to the support so we could install brilliant splash of red poppies against the church porch.

This made the local paper and also Look North which was a real bonus.

While this was going on we also made a collection of cleaning products for Boston Women's Aid and when the church asked us if we wanted to have a craft stall at one of their coffee mornings we decided to use the opportunity to raise some cash for them as well, eventually making £78 from the sales.

At our December meeting we unsurprisingly had a Christmas theme making Gnome decorations from pompoms and felt, followed by a fuddle and even, for some members, a dance during the cleaning up.

## *Witham St Hughs*

Member Gemma is trekking 100km along the Pembroke coast to raise money for Coppafeel.

Coppafeel is a charity who aims to promote and educate about the importance of regular self-checks of boobs and pecs from an early age.

Please see the separate item (page 15) about Gemma's fashion show.

Gemma Fenwick, Witham St Hughs WI

## Ruskington WI

In December 2021 meeting, we had our Christmas Party of 'Chase the Baileys'.

This is always a fun filled evening with lots of laughter and games which included pass the parcel.

Our Event Secretary wrote a ditty so here it is:

### **WI Friends**

*WI friends from Ruskington, here to have some Christmas fun. Please join in, everyone*

### **With all our WI Friends.**

*Looking back on the past year, we've lost pals from far and near. We're so glad you're still*

### **With all our WI friends**

*When Covid struck there were no meetings, we found ways to send our greetings: picnic teas and our own seating*

### **With all our WI friends**

*Wearing mask became the normal, no more hugs, now it's quite formal, washing hands we're all conformal*

### **With all our WI friends**

*Stay at home and keep your distance, sort out drawers and clean your kitchens, sometime soon, we'll have a wish list.*

### **With all our WI friends**

*Then came the jabs, some are Pfizer, we're still using sanitizer, keeping safe with facial visor.*

### **With all our WI friends**

*Christmas came with bags of goodies, Easter showed our floral studies, Harvest supper – lots of puddies*

### **With all our WI friends**

*Now getting out is such a pleasure, lots of memories to treasure, hoping we'll return to leisure*

### **With all our WI friends**

January meeting, our AGM, saw us say goodbye to Jane Root as our adviser and greeting Liz McIntosh, our new adviser. We enjoyed a night of beetle drive, again with lots of laughs.

Our February meeting was a bit different as our speaker didn't arrive. Instead, we had a 'get to know each other' evening. Our New Year meal – slightly delayed but no less festive – was held on 22<sup>nd</sup> February.

Amanda Smith Ruskington WI Secretary

## Supporting Ukraine

### What happens when you get your period during a War?

*(From an article in the Independent newspaper by Laura Hampson)*

<https://www.msn.com/en-GB/news/uk/womens-needs-are-being-overlooked-completely-what-happens-when-you-get-your-period-during-a-war/ar-AAUWpCM?ocid=sapphireappshare>

At the time of writing, over 3 million refugees have escaped from Ukraine in the last two weeks; this does not include those displaced actually within the country. The majority of these refugees are women.

While their period arriving may be the least of their worries for women currently in a war zone, or for those who are fleeing as refugees, when the time of the month comes, access to period products is crucial — but it might not be possible.

Full of fear for the children, grabbing bare essentials, only what can be carried, having to say goodbye to brothers, fathers, husbands. These are indeed desperate times for these women who would be unable to bring the supply of period products with them that they might need. Some will have travelled for days without access to proper facilities. Shops are closed and many women fleeing will not have their own source of income to buy non-food items.

During conflict, women's specific needs are often overlooked, even in terms of the products people are sending to the borders. Period products are likely to be neglected. But as the majority of adults fleeing are women, the need will be great.

*Ladies from Langtoft WI are collecting appropriate sanitary products along with cleansing wipes, bags for disposing of used items etc. specifically for women refugees and these will be delivered to the Ukraine Church in Peterborough.*

*If you wish to become involved too, please get in touch with **Sue Brotherhood**, Tel: **07984 886268***

### **Share your language skills**

If you have Ukrainian, Russian, or other language skills that could be of use to people fleeing the invasion and its attendant political crises in the coming weeks, please fill out this form to volunteer with Respond Crisis Translation.

Translators Without Borders, a well-established NGO is currently looking for volunteers. In particular, they need help from people with the knowledge of one of the following languages: Ukrainian, Russian, Polish, Hungarian, Czech, Romanian, and German. Sign up [here](#).

**Lincolnshire Co-op Pharmacies** are amongst many businesses that are collecting items for the crisis. Details of what is needed can be found [here](#).

# NFWI News.....

## Resolution Result

This year there were **75,110** selections cast. **The NFWI Board of Trustees has agreed to put forward the top resolution to the Annual Meeting in June.** The wording of the resolution is as follows:

### **Women and Girls with ASD & ADHD - under-identified, under-diagnosed, misdiagnosed, under-supported**

Women and girls presenting with autistic spectrum disorder (ASD) and attention deficit hyperactivity disorder (ADHD) are going undiagnosed. The NFWI calls on the government and funding bodies to fund research into the female presentation of ASD and ADHD, and for action to be taken to improve the diagnosis process for women and girls, to ensure that they are equipped to better manage these conditions and do not suffer in silence. The NFWI further calls on WI members to raise awareness within their WIs of the issues facing women and girls with ASD and ADHD.

### **What happens next?**

Members now have the opportunity to learn more about the issues, and to discuss the resolution in their WIs before deciding how their Link delegate should vote at the Annual Meeting.

WIs are encouraged to hold discussion events to allow members to consider how they wish their delegate to vote. The NFWI will also be hosting a discussion event in April, so keep an eye out for more information about this.

### **How does my WI cast our vote?**

All WIs get one vote - for or against the resolution.

WIs may choose to give their link delegate discretion to decide how to vote after hearing the speakers and the debate at the Annual Meeting. Please ensure your WI makes it clear to your link delegate whether you are granting her discretion.

Federation Representatives and link delegates attending in person will cast physical paper votes during the voting session. Federation Representatives and link delegates attending virtually will cast electronic votes via Electionbuddy during the voting session. Both physical voting papers and electronic voting links will be shared with Federation Representatives and link delegates in advance of the meeting. No votes may be cast before or after the meeting.
